*Please briefly describe your current work in science, engineering, or math and/or your area of expertise.*

*How long have you worked in this area of research?*

*Why are you interested in participating in this program?*

*How will this program benefit you personally/ professionally?*

We want to make sure that this program is a good fit for you and your schedule this fall. Please review the commitments and check the box below to indicate that you are available for ALL of the program requirements. The total time for the workshop and activity development is approximately 12-15 hours.

- Attend the professional development workshop at the Discovery Museum Science & Space Center (3615 Auburn Blvd, Sacramento) on **Wednesday, September 16<sup>th</sup>, 1pm-4pm.**
- Attend the professional development workshop at the Discovery Museum Science & Space Center (3615 Auburn Blvd, Sacramento) on **Wednesday, October 7<sup>th</sup>, 1pm-4pm.**
- Work individually to develop a hands-on activity related to your current work. Concept development and materials support are provided by Powerhouse Science Center staff, but you are responsible for the construction of your own activity.
- Prototype your hands-on activity with museum staff/ volunteers on **Wednesday, October 28<sup>th</sup>, 1pm-4pm.**
- Participate in our Meet A Scientist weekend on **November 21<sup>st</sup> & 22<sup>nd</sup>, 11:30am-4:30pm.** (Must work one of the two days.)

I understand and agree to the commitments described above.

**Submit to Sheila Montgomery (smontgomery@powerhousesc.org)**
